

Marchi Lecture

Turin, 26 June 2017
Politecnico di Torino

Gii - PhD Days

Turin, 26-28 June 2017
Politecnico di Torino

Marchi Lecturer 2017
Gustavo Gioia
(Okinawa Inst. of Sci. and Tech.)

Junior Lecturers:

Paola Passalacqua
University of Texas, Austin

Stefano Manzoni
Stockholm University

PhD Days

A friendly environment and a valuable opportunity for those early in their careers to learn about other aspects of hydrology and hydraulics, practice their presentational skills and meet other young researchers.
